IS YOUR COAT DUSTY?

You Probably Have the White Scab of Dandruff on It.

If your coat or shoulders have a white dust upon it, the chances are that it is from dandruff. The only way to permanently cure dandruff is to remove the cause, which is a germ. Newbro's Herpicide kills the germ. Every toilet table should have such a hair-dressing that contains also the destroyer of the dandruff and hair falling germ. It stops all irritation, keeps the scalp sweet, pure and wholesome. Remember that something claimed to be just as good will not do the work of genuine Herpicide. Sold by leading druggists.
